Features of Education and Marriage Plan Opportunity for Growth:

Every premium paid towards the plan will be invested in one of the internal investment funds of EFU Life. It is completely your decision to choose the internal fund based on your investment objectives.

You can select from the following unit funds mentioned below:

- EFU Managed Growth Fund - An investment fund with a balanced investment strategy. It aims to achieve reasonable capital growth and steady returns with investment in government securities, carefully selected blue chip equities and other fixed income instruments and cash.
- EFU Guaranteed Growth Fund - An investment fund providing steady returns with a guarantee that the bid price of the fund will never fall. It aims to achieve stable growth through investment in short term debt securities.
- EFU Aitemad Growth Fund - An investment fund with the specific aim of investing in interest-free securities. It aims to maximize capital growth by investing across a wide range of investments such as Islamic Mutual Funds, Shariah approved equities, term deposits in Islamic Banks & Sukuk Bonds.

These Funds are managed by investment experts, who adjust the mix based on underlying economic conditions and better investment opportunities.

Fund Acceleration Premium (FAP)

If you have surplus cash available at any point of time during

the plan term it can be invested in the plan to enhance your cash values. These additional payments in the plan are called Fund Acceleration Premium payments. You can make these payments at any time while the policy is in force. The minimum FAP payment is Rs. 20,000.

100% of FAP payments are allocated to purchase units in the selected fund.

Inflation Protection:

Under this option, the premium will increase every year by 5% of the previous year's main plan premium with an appropriate increase in applicable benefits, without any medical evidence.

Benefits of Education and Marriage Plan:

Continuation Benefit:

On death of life assured prior to the maturity of plan, the plan ensures that your child's future remains secure by its Continuation Benefit. This is built into the plan and ensures that all future premiums are paid by EFU Life following the death of the life assured until the Plan's maturity date. This means that the funds you had originally planned for will still be available for your children.

Maturity Benefit:

At the end of the Policy Term, the maturity benefit payable will be the Cash Value applicable to the regular plan premium plus Cash Value applicable to FAP payment, if any.

Optional Riders Available In the Plan

- **Accidental Death and Disability Plus Benefit:** In case of accidental death or disability of the life assured, this rider provides an additional lump sum benefit.
- **Additional Term Assurance:** This rider increases the level of life cover by providing an additional amount in the range of 50% to 200% of the Main Plan Sum Assured, in case of death of the Life Assured
- **Income Benefit:** In the unfortunate event of death of the policy holder/life assured, this additional benefit will provide a quarterly income to your dependents to maintain a decent lifestyle.
- **Waiver of Premium:** In case the life assured is unable to follow any occupation due to the sickness or accident, the contribution would be paid by EFU Life

Access to Savings:

The plan provides complete access to accumulated fund value at all times. Total units accumulated can be withdrawn after the second year's regular premium payment. A facility for partial withdrawals is also available subject to Rs.20,000 remaining in the fund. If the customer opts for complete surrender, all units will be encashed and the plan will be terminated.
